A Prayer of Thanksgiving:

"O Supreme Lord of the Universe, you fill and sustain everything around us. With the touch of your hand you turned chaos into order, darkness into light. Unknown energies you hid in the heart of matter. From you burst forth the splendor of the sun and the mild radiance of the moon. Stars and planets without number you set in ordered movement. You are the source of the fire's heat and the wind's might, of the water's coolness and the earth's stability. Deep and wonderful are the mysteries of your creation."

Amen
